MORESTO

Simplifying Excellence in Espresso Making

Launched in 2024, the Moresto LITE by El Rocio reinterprets traditional entry-level espresso machines, focusing on ease of access and simplicity of use. This machine is designed with franchises in mind, ensuring that any staff member can operate it with minimal training.

Key Features

High-Capacity Stainless Boiler:

Guarantees consistent temperatures and superior espresso extraction, crucial for fast-paced environments.

Accessibility Priced:

Offers exceptional value, making premium espresso technology attainable for a wider range of cafes and restaurants.

User-Friendly Operation:

Designed with the user in mind, this machine features straightforward controls and a minimal learning curve, making it ideal for new baristas and seasoned professionals alike.

Versatile Design:

With its sleek design, the Moresto LITE fits seamlessly into any space, enhancing functionality without compromising on style.

The Moresto LITE is the ultimate solution for cafes, restaurants, and any location seeking to introduce or upgrade their coffee offerings with an efficient, affordable, and easy-to-operate machine.
